

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF CALIFORNIA

KEVIN HAGAN,

Plaintiff,

v.

RAUL RECAREY, et al.,

Defendant(s).

Case No. 1:22-cv-00562-AWI-EPG (PC)

ORDER REGARDING EARLY  
SETTLEMENT CONFERENCE

ORDER DIRECTING CLERK TO SERVE  
SUPERVISING DEPUTY ATTORNEY  
GENERAL LAWRENCE BRAGG WITH A  
COPY OF: 1) PLAINTIFF'S COMPLAINT  
(ECF NO. 1); AND 2) THIS ORDER

Kevin Hagan ("Plaintiff") is a state prisoner proceeding through counsel in this civil rights action pursuant to 42 U.S.C. § 1983. On May 13, 2022, the Court granted in part Plaintiff's motion for an order directing the U.S. Marshals to serve the summons and complaint. (ECF Nos. 6, 10.) At least one defendant has waived service of process. (ECF No. 12.)

The Court now directs the parties to participate in a settlement conference before a Magistrate Judge to see if the case can reach an early settlement. Neither side is waiving any claims, defenses, or objections by participating in this settlement conference. Additionally, nothing in this order changes the date of the Initial Scheduling Conference, which is currently set for September 13, 2022. (*See* ECF No. 4.)

1 Defense counsel is directed to consider Plaintiff's claim(s) and to speak with Plaintiff's  
2 counsel following this order.<sup>1</sup> If, after investigating Plaintiff's claim(s) and speaking with  
3 Plaintiff's counsel, and conferring with defense counsel's supervisor, defense counsel in good  
4 faith finds that a settlement conference would not be productive at this time, defense counsel  
5 may opt out of this settlement conference by filing a notice with the Court, in which case the  
6 matter will proceed without an early settlement conference.

7 If defense counsel opts out of the settlement conference, or if the case does not settle at  
8 the conference, the case will proceed to litigation.<sup>2</sup>

9 If defense counsel does not opt out, the Court will issue separate order(s) setting the  
10 settlement conference and detailing the pre-settlement conference procedures in due course.

11 Within fourteen days after the issuance of the order setting the settlement conference, in  
12 order to better inform all parties and have a meaningful conference, the Court is requiring that  
13 both parties disclose certain documents to each other about the case, as listed below. These  
14 documents are relevant to the case and will most likely be disclosed in discovery shortly if this  
15 case proceeds to litigation.<sup>3</sup>

16 Accordingly, IT IS HEREBY ORDERED that:

- 17 1. Within forty-five days from the date of service of this order, the assigned  
18 Deputy Attorney General shall either: (1) file a notice stating that Defendant(s)  
19 opt out of the settlement conference; or (2) contact ADR Coordinator Sujean  
20 Park (spark@caed.uscourts.gov) to schedule the settlement conference and copy  
21 Plaintiff's counsel. If the assigned Deputy Attorney General does not opt out of  
22 the settlement conference, the Court will issue an order setting a settlement  
23 conference. That order will include the date of the conference and the Magistrate  
24

---

25 <sup>1</sup> In light of the coronavirus (COVID-19) outbreak and the evolving coronavirus protocols, the parties  
26 may confer by letter.

27 <sup>2</sup> If the case proceeds to a settlement conference, the Court will not schedule the case until after the  
settlement conference is held. Nothing in this order extends Defendant(s)' deadline to file a responsive pleading,  
but Defendant(s) may file a motion to extend the deadline to respond to the complaint.

28 <sup>3</sup> If any party has a legal objection to providing a particular document, that party shall file and serve a  
notice describing its objection.

Judge who will oversee the conference, and may also include procedures required by that Judge.<sup>4</sup>

2. If a settlement conference is set, no later than fourteen days after the date of service of the order setting the settlement conference, each party shall send the other parties, or their attorneys (if represented), the documents listed below. The parties do not need to include any documents that counsel believes are confidential or subject to the official information privilege. The parties only need to provide these documents if they already have them in their possession.

- a. Documents regarding exhaustion of Plaintiff's claims, including 602s, Form 22s, and responses from the appeals office;
- b. All non-confidential documents regarding Rules Violation Reports, if any exist, associated with the incident(s) alleged in the complaint, including disciplinary charges and findings;
- c. All of Plaintiff's medical records related to the incident and/or condition at issue in the case, if any exist;
- d. Chronos for transfer or Administrative Segregation placement related to the incident(s) alleged in the complaint, if any exist; and
- e. Non-confidential incident reports regarding the use of force incident(s) alleged in the complaint, if any exist;

Additionally, the parties may send any other documents related to the case that the parties believe will assist in the settlement conference. However, the parties may not request any other documents until discovery has been opened.

3. The parties are reminded to keep the Court informed of their current address. Any change of address must be reported promptly to the Court in a separate document captioned for this case and entitled "Notice of Change of Address." See L.R. 182(f).

---

<sup>4</sup> The undersigned will not be the Magistrate Judge overseeing the settlement conference.

4. The Clerk of Court shall serve Supervising Deputy Attorney General Lawrence Bragg with a copy of: (1) Plaintiff's complaint (ECF No. 1); and (2) this order.

IT IS SO ORDERED.
